Who are City Changers?

The City Changers programme is a collaboration between Doxa Deo Church and Share Jesus International.

Birtherd out of South Africa, Doxa Deo is a network of churches passionate about helping people find their true identity in Christ and in turn, become City Changers.

Share Jesus have been running gap year programmes for over 20 years and have helped 100s of young adults explore and find their vocation. They are passionate about communicating the Gospel relevantly with national projects, tours and resources.

The City Changers programme will give you a hands-on opportunity to experience both national mission initiatives and local church life. What you will learn in the year, will set you up for life!
