

STORY TWO

HUNGRY TUMMIES

Here are five ways that your family can explore the story some more:

1. The boy has five loaves of bread and 2 fish.

What skill or gift do you have that you could let Jesus do something incredible with? Perhaps drawing a picture to encourage someone or making cakes for someone who is lonely.

2. Whether you have soft toys or action figures, can you re-create this story with lots of different toys?

3. With your family, can you ask 5 different people via text or on the phone: 'How has God used you in some way?'

4. With 5 pieces of bread in your hand, ask someone to re-tell the story whilst imagining you are the child with the bread and the fish. How would you have felt?

5. This story is repeated in all four Gospel accounts. Why don't you read this story with your family from another version and think about what is the same and what is different?

Matt 14:13-21

Mark 8:1-13

Luke 9:10-17

John 6:1-15
